Welcome to the 58th annual Lazy JS Ranch Production Sale. We love this time of year as it gives us a chance to gather with our family, old friends, and new ones made on sale day. Without you all this wouldn't be possible.

We feel that we have a nice set of colts for sale this year that have the mind and athleticism that can take you

to the pay window in the rodeo arena or just enjoy on a trail ride and anything in between and look good doing it. We think they can be a sound investment for you.

We have been fortunate over the years to have raised some really good horses that have excelled on the ranch and in arenas across the country. We have bred World Show Qualifiers, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners. Most of our mares have been ridden and used for ranch work. We are currently riding sons and daughters of the stallions and they are good horses and have been easy to train.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome back Stearns Quarter Horses and are pleased to welcome Joe Delaney and 6L Performance Horses and Training as guest consignors.

Please check out our website at www.lazyjsranch.com and view videos of some of the colts on www.facebook.com/lazyjsranch. Make sure you join us at the ranch on sale day. Come view the colts with their mothers and join us for lunch and of course, pie and coffee! We look forward to seeing you on sale day, Saturday, August 19!

Great looking bay roan stallion that goes back to Fancy Roan Bar and Tee Jay Tommy. He was successfully used for team roping before we bought him back. His offspring are gorgeous. They have great heads and huge hips. They have been really great to halter break and have been doing well in the team roping pen. Most notably, Kevin Rahn's, CA Roan Talon "Cactus", who he qualified on for the 2016 World Series of Team Roping in Las Vegas.

JB has been a great sire for us over the years. He goes back to the immortal cow horse sire, Poco Tivio, on the top, and the reserve world champion cutting horse, Jessie James on the bottom. Splash in a little speed on the bottom with Jet Smooth and you have a recipe for colts that can do anything. He sires good foot and bone, and most importantly a great mind. We hear from customers that have purchased colts by JB and they rave about how trainable they are.

LJSR Poco Hook **1996 Red Roan Stallion • #3448119**

PJs Jessie Bueno **1997 Dun Stallion • #3578222**

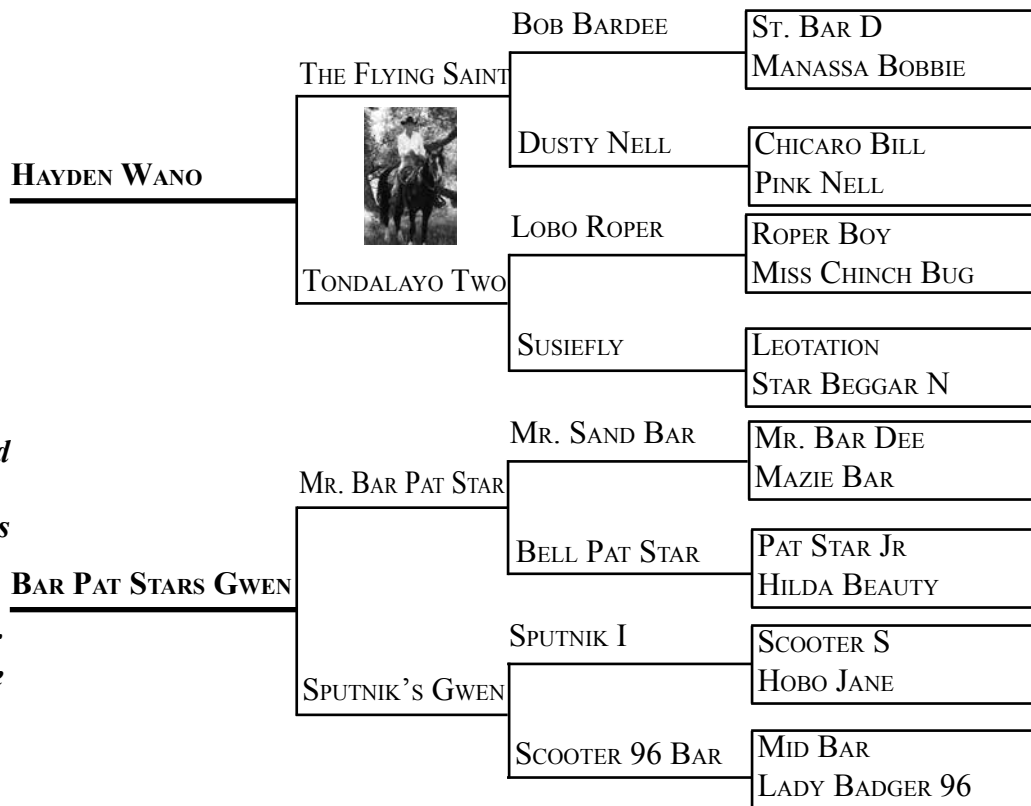

Super athletic grandson of The Flying Saint. The Saint was a grand champion at halter and a race winner. He sired World Show qualifiers, ROMs, a Justin Rookie of the Year, and Solid Gold Barrel Race winners. Emperor's dam was one of the best producers we purchased from Stearn's Quarter Horses. She was an own daughter of AQHA Champion Mr Bar Pat Star who goes back to the great Oklahoma Star. Emperor's colts have big hips, pretty heads, and are extremely correct with a very trainable mind.

LJSR EMPEROR

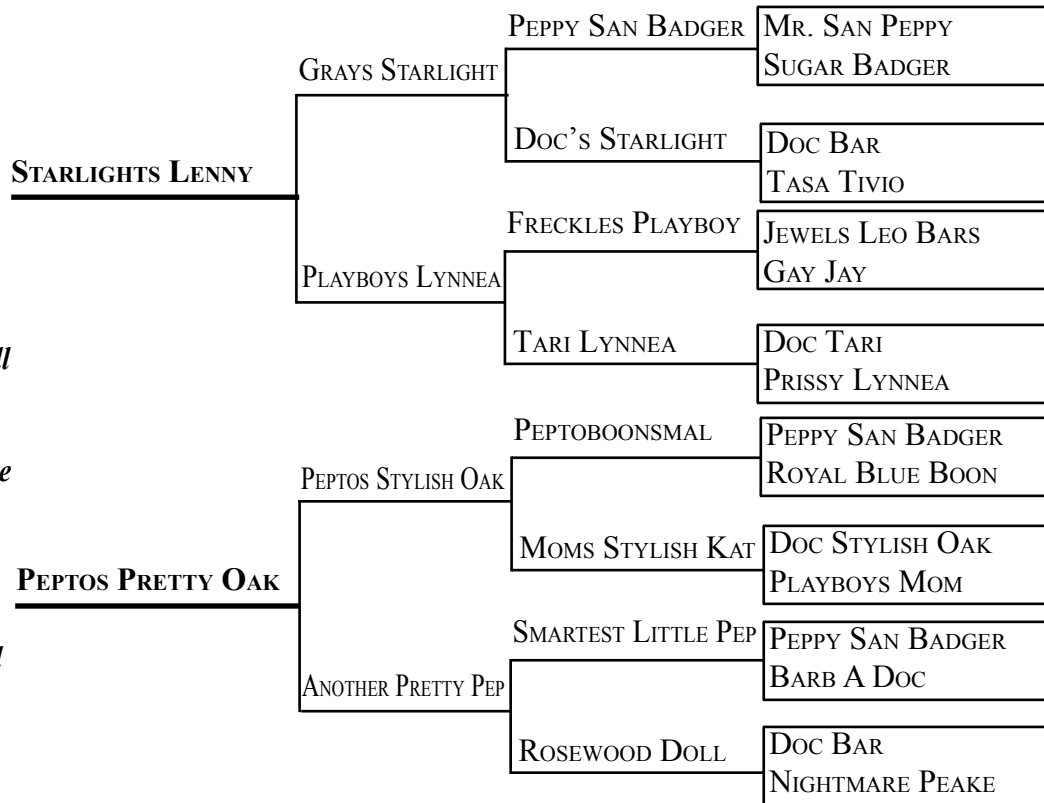

2003 Black Stallion • #4341975

Starlights Boon is a smooth moving, cowy, and athletic son of Starlights Lenny who earned \$4,890 and his NCHA COA. Grays Starlight is an all time leading sire of over \$10 million in cutting, reining, and cow horse events and has proven to be one of the most versatile sires in the industry. Peptos Stylish Oak is the sire of nearly \$4 million in cutting earners. Boon's dam is a good sized mare standing at 15 hands and she is a full sister to the 2008 Colorado Reined Cowhorse Fall Futurity Champion, Peptos Pretty Pep. We are pleased with the first set of foals by Boon.

CARTER ACRES

NADACARTER@CARTERACRES.COM • 26708 COUNTY ROAD 10, STARBUCK, MINNESOTA • 320-424-2957

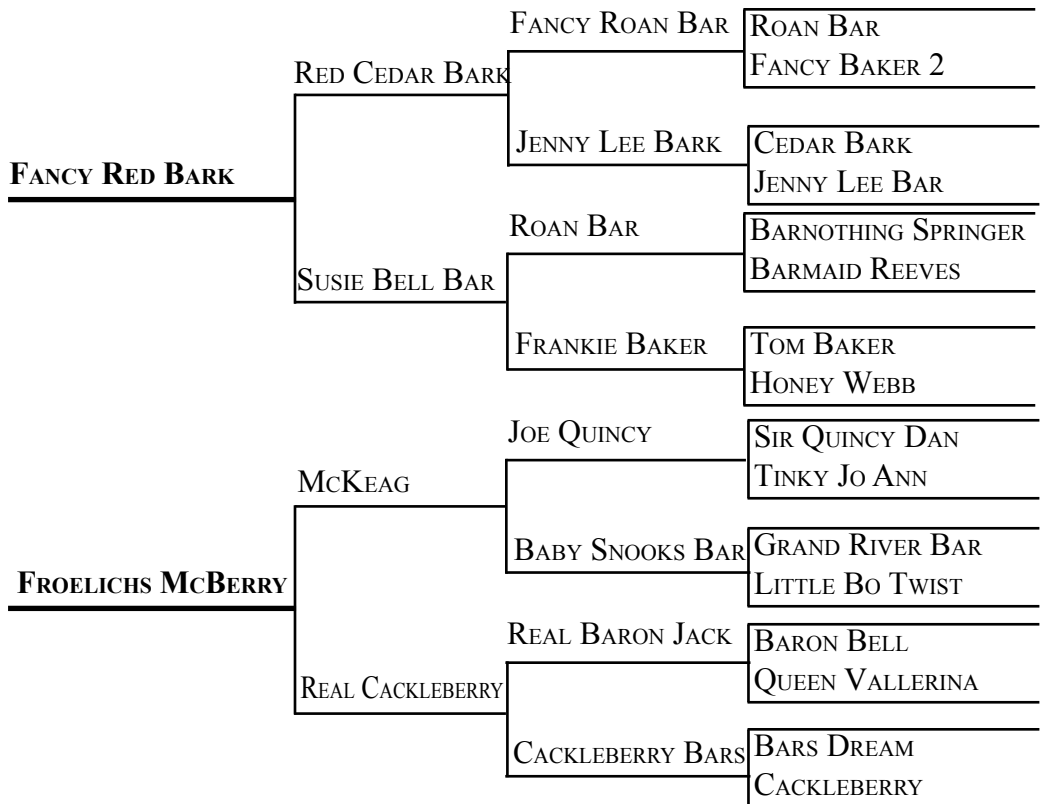

Welcome to Carter Acres! We are grateful to once again be included in the LJSR sale. As producers come and go, I think you'd agree that 58 years doesn't happen by accident! We are proud to be a small part of its heritage. We're exceptionally pleased with this year's foal crop. Out of 15 foals born, we believe we have five to six potential stallion prospects! If you're not in the market for a stallion, they will make amazing geldings that will be more valuable each day you work with them. As a whole, this foal set has probably been the kindest and most easy going set of colts we've had; not one tightened a halter rope at the first tying. Disposition, conformation, color, pedigree....what more can you ask for? We look forward to your calls and please join us for a **preview at our home on Saturday, August 12, 2017 from 5-8 p.m.**

REFERENCE SIRE

Sterling has been a tremendous sire for us. We have producing daughters that are proving themselves very special broodmares, we have a couple more coming into production and we've saved a stallion prospect. He's done his job for us. We currently have a pending sale for him so this will likely be his next to last foal crop for us. If you want a related stallion prospect, CA Little Joe is one of the best he's ever sired.

RC CALCETAS

2007 Black Stallion • #4995233

RC has done a superior job for us this year. His colts are absolute powerhouses but also striking in conformation and correctness. Take a look; we think you'll agree.

Chex is linebred four times to King and has other notable greats, Peppy San Badger, King Fritz, Doc Bar and Easter King in his pedigree. He was shown by trainer, Steve Orth, and earned his ROM in Heeling at his first show. We wanted to enhance our pedigrees for marketability but not sacrifice conformation. We believe we succeeded! Chex's foals have beautiful heads, big hips and stellar dispositions; we're very pleased and hope you will be too!

Thank you to the Silha family again this year for letting us sell with them. We are very pleased with the colts that Bub and the mares produce. They have a lot of bone and muscle early in their young lives. The pictures of the colts were taken early so they will have changed by sale day. Most shed off to roans so there will be color change papers with each colt. All horses will be Coggins tested.

Russ, Blaine, Kenzie and Teagan Homelvig

REFERENCE SIRE

We are pleased with this colt crop. We bought Bub from Hetletveds as a baby and raised him. Russ started riding him in the fall of 2015. He is a gentle giant. His colts are eligible for the Ranching Heritage Breeders program.

Frenchmas TNT stands 14.2 and weighs 1,000 lbs. I started him as a two-year-old. He's mostly been ridden on the ranch moving cows, tagging calves, and sorting pairs. He's been to the branding pen and pulled calves and roped a few in the pasture. He can get a little strong in a fast paced situation so might be better suited for a more experienced rider.
