Welcome to our 60th annual Lazy JS Ranch Production Sale. We love this time of year as it gives us a chance to gather with our family, old friends, and new ones made on sale day. Without you all this wouldn't be possible.

We said good bye to our husband, dad, grandfather, and brother Logan this spring unexpectedly. It has been

rough, but we are getting through it. Without Logan, Russ and Fran Silha, there would be no 60 years to celebrate. We feel theirs is a lasting achievement and legacy.

We have a nice set of colts for sale this year that have the mind and athleticism that can take you to the pay window in the rodeo arena or just enjoy on a trail ride and anything in between and look good doing it. We think they can be a sound investment for you.

We have been fortunate over the years to have raised some really good horses that have excelled on the ranch and in arenas across the country. We have bred World Show Qualifiers, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners. Most of our mares have been ridden and used for ranch work. We are AQHA Ranching Heritage Breeders so foals are eligible for those events if you show.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome back Stearns Quarter Horses, Bob and Jan Quickstad, and are excited to add Don Painter and the Troy Ostby family as guest consignors.

Please check out our website at [www.lazyjsranch.com](http://www.lazyjsranch.com) and view videos of some of the colts on [www.facebook.com/lazyjsranch](http://www.facebook.com/lazyjsranch). Make sure you join us at the ranch on sale day. Come view the colts with their mothers and join us for lunch and of course, pie and coffee! We look forward to seeing you on sale day, Saturday, August 17!

# 60TH ANNUAL LAZY JS RANCH PRODUCTION SALE

DEDICATED TO THOSE WHO MADE IT POSSIBLE

Logan Silha  
February 22, 1951 - March 9, 2019

One day he was there,  
the next day gone.  
We never know when, or where  
or for how long.

Will he feed the herd, or roll some hay?  
Will it be January, February or May?  
One must be ready when the call comes in.  
Leave the feeding to others,  
the grains in the bin.

You've done your best,  
and deserve the rest.  
The horses are fat  
the heifers are too,  
The cowboy has been chosen  
... and it is you!

Now daylight's a  
burnin',  
You mustn't be late.  
Ride on ahead...  
we'll get the gate.

by Bob Quickstad Sr.

*Great looking bay roan stallion that goes back to Fancy Roan Bar and Tee Jay Tommy. He was successfully used for team roping before we bought him back. His offspring are gorgeous. They have great heads and huge hips. They have been really great to halter break and have been doing well in the team roping pen. Most notably, Kevin Rahn's, CA Roan Talon "Cactus", who he qualified on for the 2016 World Series of Team Roping in Las Vegas.*

**LJSR Poco Hook**      1996 Red Roan Stallion • #3448119

**Last colt crop by Hook!**

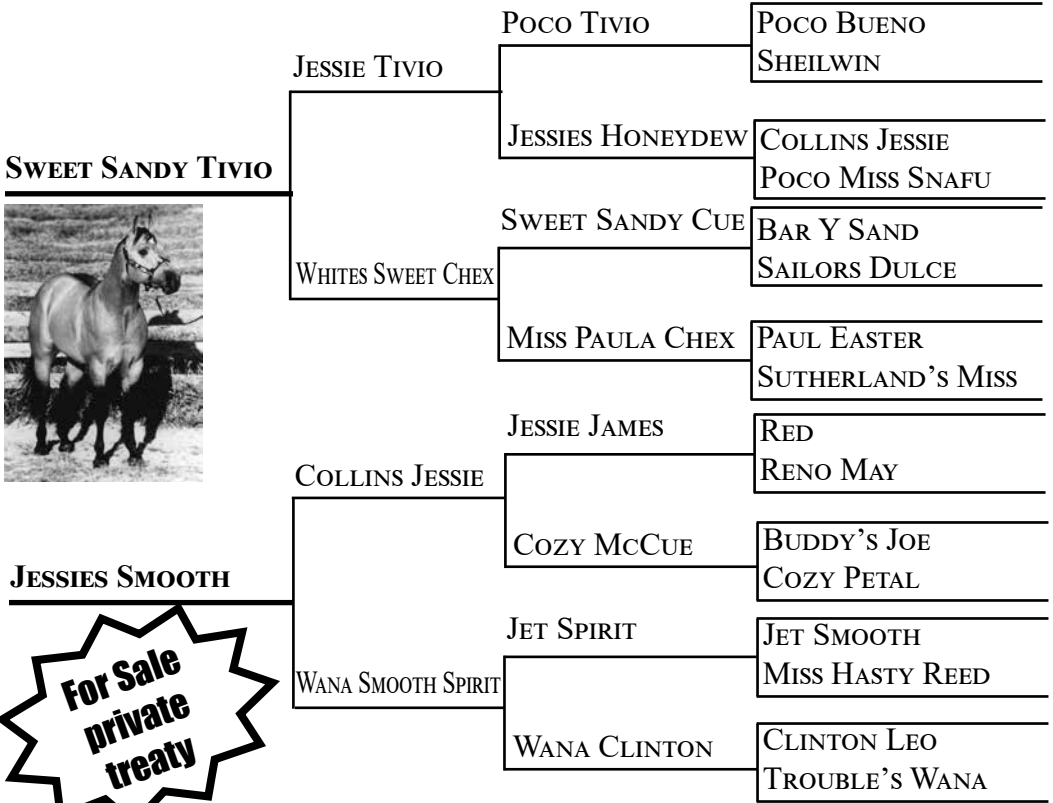

*JB has been a great sire for us over the years. He goes back to the immortal cow horse sire, Poco Tivio, on the top, and the reserve world champion cutting horse, Jessie James on the bottom. Splash in a little speed on the bottom with Jet Smooth and you have a recipe for colts that can do anything. He sires good foot and bone, and most importantly a great mind. We hear from customers that have purchased colts by JB and they rave about how trainable they are.*

**PJs Jessie Bueno**      1997 Dun Stallion • #3578222

**For Sale private treaty**

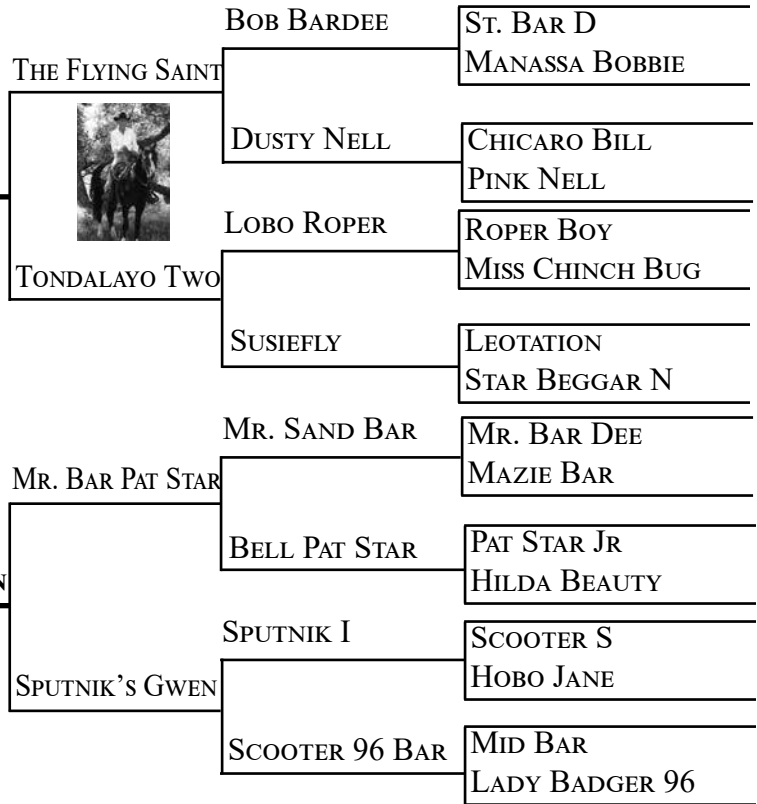

*Super athletic grandson of The Flying Saint. The Saint was a grand champion at halter and a race winner. He sired World Show qualifiers, ROMs, a Justin Rookie of the Year, and Solid Gold Barrel Race winners. Emperor's dam was one of the best producers we purchased from Stearn's Quarter Horses. She was an own daughter of AQHA Champion Mr Bar Pat Star who goes back to the great Oklahoma Star. Emperor's colts have big hips, pretty heads, and are extremely correct with a very trainable mind.*

**LJSR EMPEROR**

**2003 Black Stallion • #4341975**

**HAYDEN WANO**

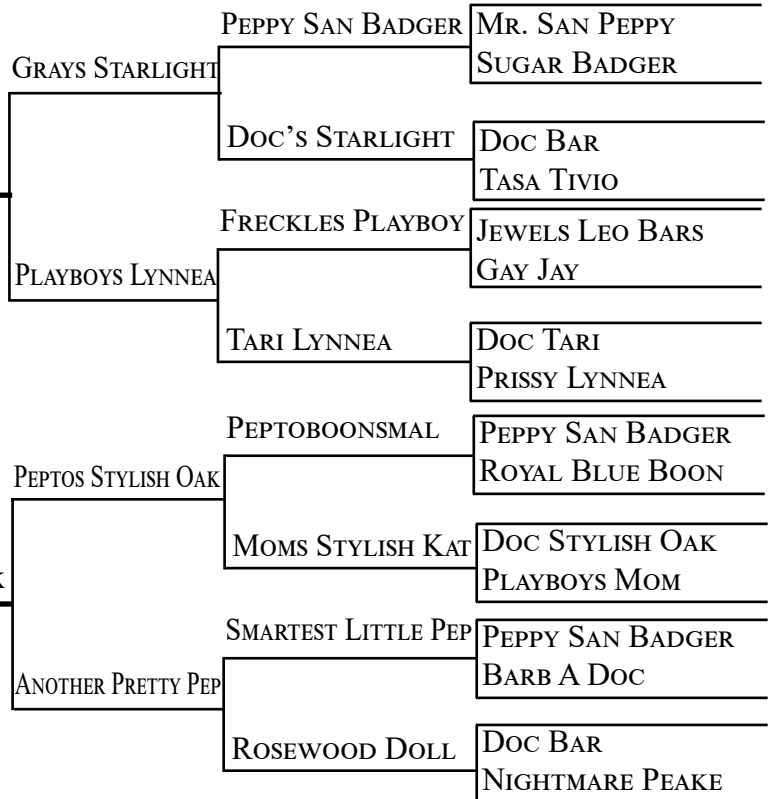

*Starlights Boon is a smooth moving, cowy, and athletic son of Starlights Lenny who earned \$4,890 and his NCHA COA. Grays Starlight is an all time leading sire of over \$10 million in cutting, reining, and cow horse events and has proven to be one of the most versatile sires in the industry. Peptos Stylish Oak is the sire of nearly \$4 million in cutting earners. Boon's dam is a good sized mare standing at 15 hands and she is a full sister to the 2008 Colorado Reined Cowhorse Fall Futurity Champion, Peptos Pretty Pep. We are pleased with this set of foals by Boon.*

# CARTER ACRES

NADACARTER@GMAIL.COM • 26708 COUNTY ROAD 10, STARBUCK, MINNESOTA • 320-424-2957

Welcome to Carter Acres! It is a bittersweet 60th anniversary sale for us. It was a sad spring day when we were notified that Logan, Nada's brother, passed away. There has never been a time at the ranch (other than 4 years of college) that he wasn't a fixture there; his presence is so deeply missed.

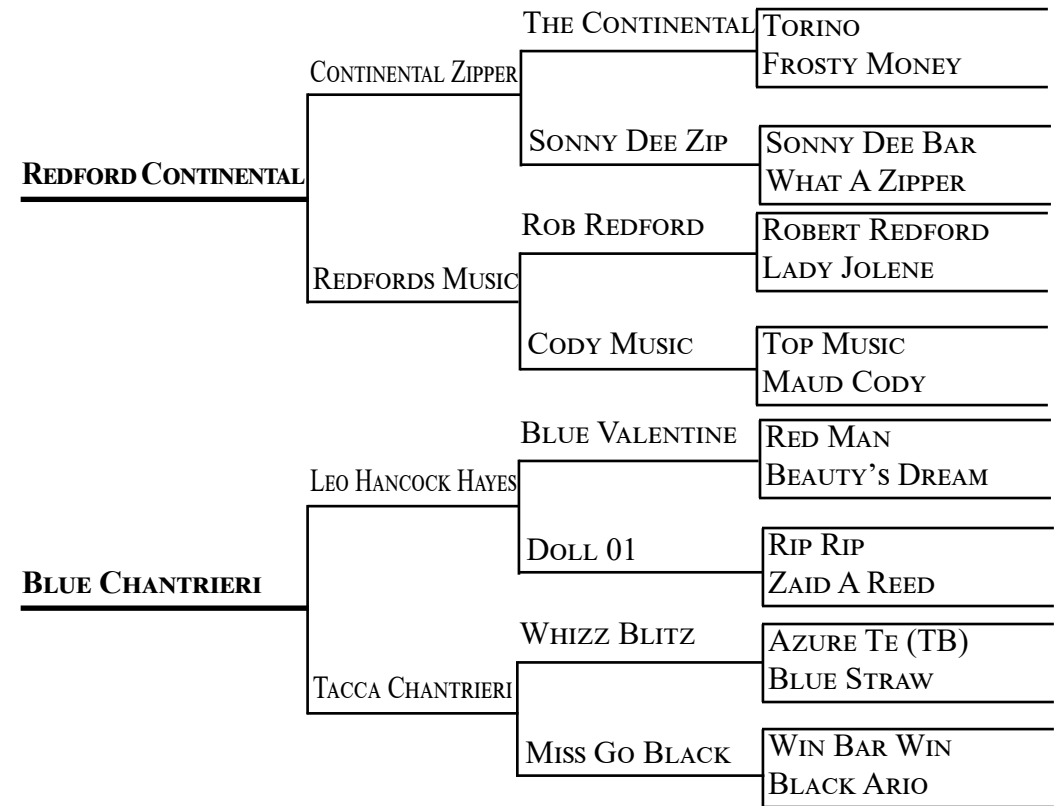

On a brighter note, 2019 foaling went very well! We are excited to showcase first foals by CA Skye Blue and Sweet San Dually. Our first impression is very exciting! Several of RC's colts are riding now and people tell us they're easy to get along with and quickly becoming favorites. We love to hear that! Join us for an open house **preview at our home on Saturday, August 10, 2019 from 5-8 p.m.**

## REFERENCE SIRE

*RC has done a superior job for us this year. His colts are absolute powerhouses but also striking in conformation and correctness. Take a look; we think you'll agree. Tracing back to AQHA Champion, The Continental, Superior Halter Horse, Robert Redford and one of the top working ranch horse lines in Blue Valentine, RC's colts are the full package deal and have incredible dispositions to boot.*

*Home-raised, it's so exciting to see the first set of Skye's foals on the ground; a plan long in the making coming to fruition in a really classy way. The full package of excellent conformation and exceptional disposition. We hope you like them as well as we do! With a stellar ranch horse pedigree on the top side and a full brother to Shining Spark (Genuine As Diamonds) on his maternal side, Skye's foals will be versatile enough for the arena or the ranch.*

**LJSR STERLING ROAN**

**MARQUEE DIAMOND**

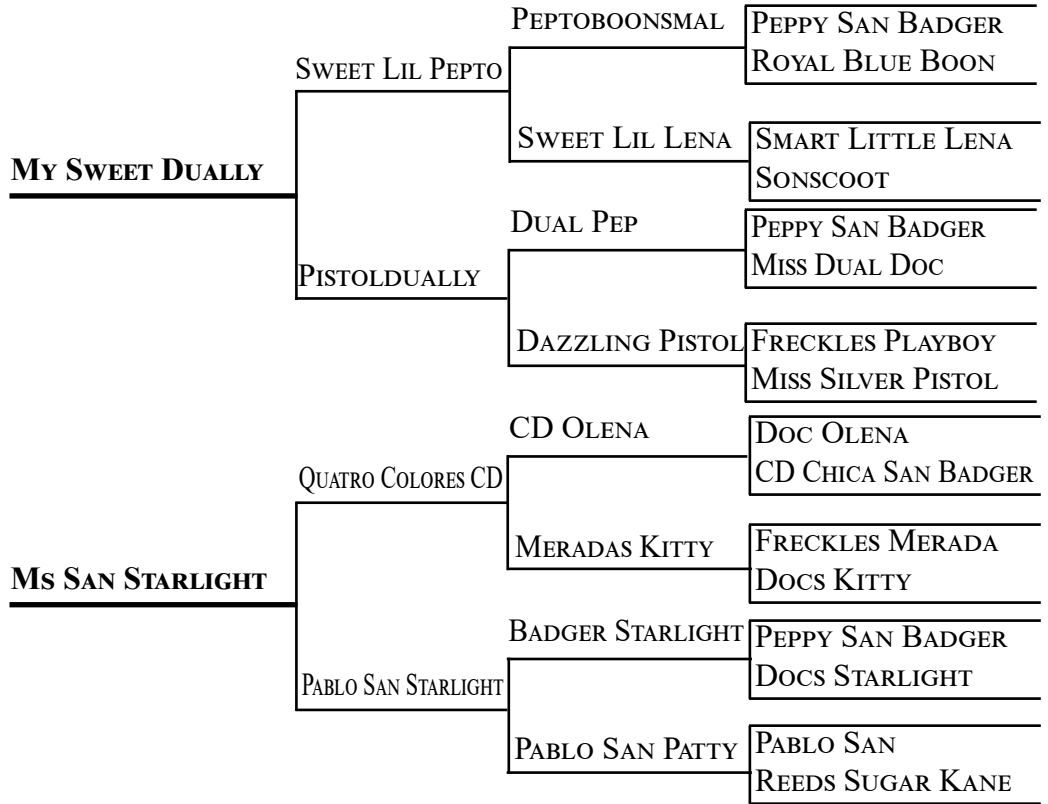

*Please see our website at [www.carteracres.com](http://www.carteracres.com) for color photos.*

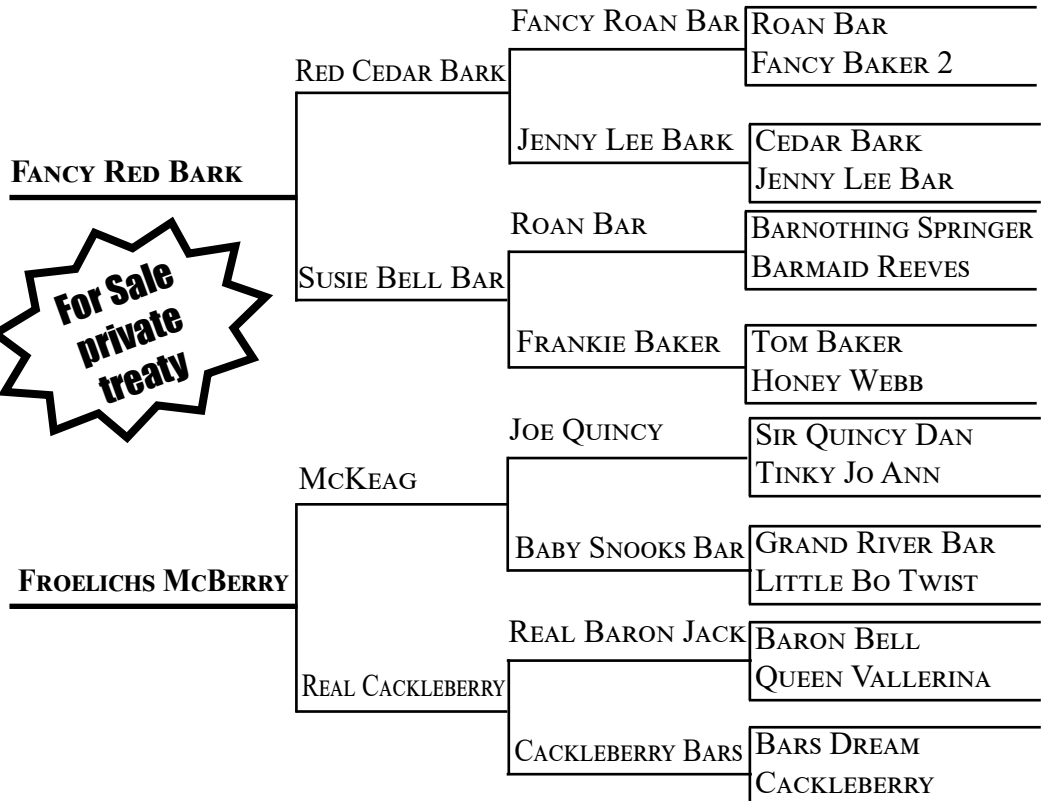

*We purchased Dually to add a more current performance pedigree to compliment our foundation stock. He has done that and more with his first colt, lot 29. We'll have a half dozen or so to choose from next year!*

**SWEET SAN DUALLY 2015 RED ROAN Stallion • #5709635**

*Sterling has been a tremendous sire for us. We have producing daughters that are proving themselves very special broodmares, we have a couple more coming into production and we've saved a stallion prospect. He's done his job for us so he is currently for sale at private treaty. Inquiries welcome.*

KSTEARNS@NDSUPERNET.COM • 9802 169TH AVE. SW, RHAME, NORTH DAKOTA • 701-279-5867 • CELL 701-440-8438

It is a pleasure to sell with Silhas again this year. I want to thank, Russ, Blaine, Kenzie and Teagan for supporting me in my hobby! The colts are all growing nicely and developing muscle. Remember the pictures were taken at the end of June so they will have grown a lot by sale day. They will be halter broke, have Coggins tests and have color change papers included with their papers. I should have all papers by sale day. My phone is 701-279-5867, cell 701-440-8438, Russ Homelvig 701-289-6338.

Susie Stearns  
Russ, Blaine, Kenzie and Teagan Homelvig

## REFERENCE SIRE

*Bub produces big solid bone on his offspring. They will be able to drag, pull, or push anything. He is a gentle giant and passes that trait onto his babies. We love to watch how fast these colts grow and develop muscle. Russ has had a few rides on him and will do so again this fall when we pull him out of the mares.*
